

WINCHESTER COLLEGE

Donations Policy

The Warden and Fellows of Winchester College welcome offers of donations of all sizes, whether in connection with specific campaigns or to add to the School's endowment, as these enable the School's continuing development over the long term.

Donations must be freely given with no expectation of anything in return other than due thanks and recognition. The Warden and Fellows are pleased to accept lawful donations which are given in good faith and which are compatible with the School's aims, values and strategic objectives. As the School values and safeguards its autonomy, integrity and reputation, the Warden and Fellows do not accept donations when a condition of acceptance would compromise these fundamental principles.
